

### Example of a Fund Raising Letter:

April 2, 2012

If you believe this upcoming election is the most important since we declared our independence from England, then join us to seize this last opportunity where we can turn crisis into creative endeavors and defeats into successes as we push forward in 2012.

NorCal Tea Party is determined to do everything possible to influence the election in 2012. We are planning two major events . The first event will be our **Third Annual California Tax Day Tea Party Rally and March at the California State Capitol** on April 14th. It brings media attention as in no other way. Additionally our numbers increase by the thousands as a result of a rally.

**The second event will be a two week bus tour called California Revolution - Rise Up Tour.**

This bus tour is a two week, 24 city tour that will launch from the Capitol Tax Day Rally, scheduled to visit the eleven assembly districts that are up for grab in California.

The total cost of these activities is \$65,000. Currently, we have raised over half of that amount. In order to meet our needs we are looking to raise \$30,000 by the end of next week. We ask that you consider making a donation today.

Enclosed you will find a self-addressed return envelope. Thank you in advance for making a difference in our effort to save our state and restore its glorious luster of liberty, freedom and economic prosperity.

**We need you to make the difference.**

Sincerely,

Ginny Rapini
